

Creating a centre of excellence  
in separation technology.

# Invitation to Biosciences Roadshow – Cape Town

Date: **04 August 2008**  
Place: **Lord Charles Hotel, Somerset West**  
Time: **08:15 for 08:30**

## Programme

- 08:30 – 09:00 **Arrival & Registration**
- 09:00 – 09:15 **Welcome & Introduction**
- 09:15 – 10:30 **Enabling Proteomic Research with novel Proteome Sample Prep Tools.**  
Anita Wan  
Application & Sales Manager, Merck Biosciences
- 10:30 – 10:45 **15 minute tea break**
- 10:45 – 12:00 **Automation in the lab: three steps to achieve reliable qPCR results**  
Dr Tanja Musiol PhD,  
Product Specialist – PCR & Automation, Eppendorf
- 12:00 – 13:00 **Apoptosis: Cell death receptors and mitochondrial inter-membrane proteins - the beginning of the end**  
Anita Wan  
Application & Sales Manager, Merck Biosciences
- 13:00 – 14:00 **Lunch break**
- 14:00 – 15:00 **Tools for quantitative proteomics and FTA**  
Dr Michael Walther  
Technical Marketing Manager –  
Whatman Biosciences
- 15:00 – 15:15 **15 minute tea break**
- 15:15 – 16:30 **From Cellular pathways to recombinant protein expression: enabling pharmaceutical discovery.**  
Anita Wan  
Application & Sales Manager, Merck Biosciences
- 16:30 **Open discussion**
