

MYSA

# MERCK YOUNG SCIENTIST AWARD 2009

worth  
**US \$4000**

(Rand Equivalent)

Post-graduate students in their final year of MSc or early PhD studies are invited to apply for an award of US \$4000.

#### How to enter?

Each candidate has to submit his/her publication to Merck (Pty) Ltd together with an official MYSA application form.

The application form is obtainable from your local Merck office or Account Manager or can be downloaded from our website: [www.merck.co.za](http://www.merck.co.za)

Closing date: 31 March 2009

Prize: **US\$ 4000.00** (Rand Equivalent)

#### Eligibility:

- Open to South African citizens
- Post-graduate students in their final year of MSc or early PhD studies.
- Applicants must be enrolled at a South African University.
- Papers submitted must have been published or accepted for publication in a scientific journal or submitted for a thesis in 2007/2008 in the following research fields: Proteomics/Protein Expression, Cancer, Diabetes, Inflammation, Obesity or Neurodegeneration.
- The paper must cite at least one product from the Merck Biosciences range (Calbiochem, Novabiochem, Novagen).
